Commissioner for Patents

The reply filed on April 14 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): MPEP 714.02 states, "The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references" (emphasis added). See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.
